Second thing we are going to talk about:	
Priorities for the year	<p><u>What do we need to do to make the school a better place?</u></p> <p>DP: Afterschool clubs clearly displayed and updated on the website and communicated with home. TM/ML to update and promote clubs and make this clear with all students.</p> <p>Afterschool club ideas</p> <ul style="list-style-type: none"> • D&D • Basketball • Football club but could be divided by year groups or abilities • ICT club • Gym club • Board clubs <p>All: We need outside equipment as there is nothing to do outside. Students have said they would like an astro turf for football as this would be good in the summer months.</p> <p>Sunshine gym magazine - Space saver multi gym, sky stepper, bicycle.</p>

	<p>KS4: We never get proper ICT time and have to sign up a week in advance. Having monitors over in KS4 would be good. Students aren't turning the computers off properly and this leading malfunctioning computer. All students are signing up for break and lunch time now and this is working. Sometimes teachers are choosing options for us and not asking us in time.</p> <p>KS4: They feel KS3 students are out of class a lot and there appears to be a lot of swearing around the KS3 building.</p> <p>KS4: Feel ICT equipment is being damaged easily and someone needs to be monitoring the use of equipment.</p>
AOB	<p>NC: Warnings and behaviours need to be followed through with clear consequences.</p> <p>SH: Football pitch needs new goals and netting so we aren't kicking balls on the roof constantly.</p> <p>EBK: Gate automatically opens when students move items in front of it.</p>
